Community Banking Day at the Capitol

FEBRUARY 5-6 * Down Right Austin, a Renaissance Hotel *

Taking place every legislative year, IBAT's Community Banking Day at the Capitol is the only event specifically dedicated to ensuring the voice of Texas community bankers is heard by Texas elected officials. IBAT is active in the political process through lobbying and PAC contributions to Texas candidates. But nothing is more important to the political process than constituents meeting with their local lawmakers to provide insight into the state of Texas community banking and to express their needs, concerns and opportunities.

WEDNESDAY, February 5

- 2:00 p.m. Legislative Advocacy 101
- 3:30 p.m. Capitol Briefing
- 6:00 p.m. Reception

THURSDAY, February 6

- 7:30-9:00 a.m. Group Breakfast
- 10:00 a.m. Tour of the Texas Capitol (optional)
