

### **Community Service– IBAT Awards Submission**

At Lone Star National Bank, volunteerism is at the core of who we are, hence our new slogan “We Are LSNB”. Our goal is to create lasting impact by providing excellent customer service, deepening relationships, and building trust through service.

The objective is clear: strengthen community pride and contribute to the well-being of future generations. Our volunteer program remains focused, measurable, and effective. In 2024, our employees contributed more than 8,000 volunteer hours through school partnerships, civic events, food bank sort-a-thons, highway cleanups, athletic programs and educational initiatives.

With over \$1 million donated in sponsorships in 2024 and more than \$3 million over the last five years, to include collecting over 11,000 pounds of food for the local food bank, LSNB continues to build a strong foundation in social responsibility, extending our mission far beyond banking.

Volunteerism is especially meaningful for employees who grew up in this region and now give back with purpose. We operate 33 banking centers in south Texas and our mission is to empower local families, mentor students, and support organizations through active civic engagement.

At LSNB, giving back isn’t a campaign, it’s deeply personal and it’s our culture.
