

BRENHAM NATIONAL BANK

Brenham National Bank is a locally owned Community Bank that has been serving Brazos, Washington, and surrounding counties in Texas since 1933. It operates multiple branch locations including Brenham, Chappell Hill and two branches in College Station. The Bank provides a variety of personal and savings account options, Certificate of Deposits, Lot/land loans, Construction/Mortgage financing and Commercial loans.

Brenham National Bank supports modern digital banking through its Total Access Online and Mobile Banking platforms, allowing customers to manage accounts, pay bills, transfer funds and use features like remote check deposit (Snap Deposit) and Online Account Opening (OpenAnywhere).

Our newest College Station branch, the 3,414 square foot Caprock branch is located at 4466 State Highway 6 South. We strived to create a banking environment that embodies our long, Texas history and blend it with progress that not only symbolizes our company, but the great state in which we get to operate.

The expansion complements Brenham National Bank's existing full-service branch at 2470 Earl Rudder Freeway South, which has been serving the College Station community with personalized banking services. The new location aims to enhance accessibility and convenience for customers in the growing Brazos Valley region.

The Bank's dedication to customer service has earned it a 5-Star "Superior" rating from Bauer Financial for several years, reflecting its financial strength and stability.
