

Donation Program – Turning New Accounts Into Community Impact

At Classic Bank, our goal is to deliver a lasting, positive impact on the communities we serve, strengthening them through investment and service. Putting our communities first has been what's driven our bank to grow to over \$670 million in assets. Our community identity is at the core of who we are, which is why our mission has always been to build lifelong relationships by exceeding expectations. Giving back to the organizations that best serve our communities is one of the ways we strengthen our community ties while also empowering our neighborhoods.

Our Donation Program was established as a formal means of partnering with our customers to give back to the non-profit organizations within our communities. For every checking account opened at Classic Bank, we donate \$10 to a charitable organization of the customer's choosing from our bank approved charities list. Each of our seven locations picks an organization to have on the list, and we rotate every six months to ensure a variety of organizations and causes are represented, allowing our customers to support the charities that matter most to them while maximizing our impact across the communities we serve.

Since establishing our Donation Program in 2023, we have been able to donate \$31,320 to 34 organizations throughout the communities we serve. This has provided funding for a variety of causes, including animal shelters, volunteer fire departments, veterans' programs, child advocacy groups, education foundations, churches, and so many more.

Our monetary donations, in conjunction with customer participation, are meaningful to us because it is a way to empower the communities around us while getting the public involved in such meaningful causes. We serve seven locations across Central Texas, and our mission is to touch every single one by emboldening them, exceeding their expectations, bring awareness to the charitable causes around us, and inspire others to give back.

Summary:

Classic Bank's Donation Program was created to strengthen the communities we serve through customer-driven charitable giving. For every checking account opened at Classic Bank, we donate \$10 to a nonprofit organization selected by the customer from a rotating list of local charities chosen by each of our seven locations. Since launching in 2023, the program has donated more than \$31,000 to 34 organizations across Central Texas,

supporting various local causes that are imperative to our communities, including volunteer fire departments, animal shelters, veterans' programs, education foundations, child advocacy groups, and churches. The Donation Program reflects our mission to build lasting relationships, exceeding expectations, and create meaningful impact throughout the communities we call home.
