

Community Service | We Are LSNB

At Lone Star National Bank, serving our community isn't just something we do, it's at the heart of who we are. For more than 40 years, we have believed that our success is directly connected to the success of the communities we serve. That belief continues to guide how we invest our time, resources, and efforts throughout South Texas.

In 2025 alone, LSNB invested more than \$1 million in local causes and awarded 315 sponsorships supporting schools, nonprofits, community organizations, educational initiatives, and local events. These investments help create opportunities, strengthen programs, and support the organizations that make our communities stronger.

Our commitment extends far beyond financial support. LSNB employees contributed more than 9,800 volunteer hours throughout the year, dedicating their time and talents to causes that matter. Whether supporting schools, participating in community events, assisting nonprofit organizations, or helping local families, our team actively serves the communities where they live and work.

Volunteerism is deeply embedded in LSNB's culture and is encouraged throughout the organization. Employees regularly participate in community initiatives both during and outside of work hours, demonstrating a shared commitment to service and community engagement. Many of the organizations supported through sponsorships also benefit from the presence and participation of LSNB employees, who proudly serve as volunteers and representatives of the bank.

From educational programs and scholarship initiatives to food drives, local events, and small business support, LSNB remains dedicated to creating meaningful and lasting impact. Every sponsorship awarded, volunteer hour served, and community partnership built reflects our belief that banking is about more than financial services, it is about people, opportunity, and strengthening the place we proudly call home.

At LSNB, community service is not a single initiative or annual campaign. It is what makes us Lone Star National Bank. By investing in the success of our communities, we help build a stronger future for South Texas and continue our mission of serving others with purpose and pride.
